Behind on Rent? Facing Eviction?

This program is a direct concrete approach in serving families in our surrounding areas of Brimfield, all Brookfields, Charlton, Dudley, Holland, Oxford, Southbridge, Spencer, Sturbridge, Wales, Warren and Webster.

Finding HOPE involves case management, guidance, and resources to help participants achieve self-sufficiency. We provide training in money management skills, housing/eviction law, addressing needs and connecting to community resources.

Participants can earn up to **\$1,000** to help catch up on back rent and/or utility bills by completing tasks needed to achieve their own self-defined goals.

We currently have openings for the Finding HOPE /Preventing Eviction Program

If you or someone you know is behind on their rent or utility bills and are eligible for our services, please call 774-230-6416 for more information.
